

IOL Grand Rounds - The Very Important Patient and Health Care: VIPs, Behavioral Health Equity and Preferential Treatment-11/4/2021

presented by

Brianna Pollock, PhD

Dr. Brianna Pollock is a clinical psychologist with clinical interest and research interests in psychodynamic and mentalization-based psychotherapy, group psychotherapy, and the intersection of diversity, equity and behavioral health treatment. She is a staff psychologist at the Institute of Living (IOL), Professional's Intensive Outpatient Program, and also completed her pre-doctoral internship and postdoctoral fellowship at the IOL. She is involved in training psychology fellows, interns and practicum students in areas of advanced psychodynamic theory and research in the psychology department. She is also involved with the Diversity, Equity and Inclusion Council for IOL and the BHN.
