

Trial By Fire: Telepsychiatry During and Beyond the Pandemic

presented by

Neha Jain, MD

Dr. Jain is an assistant professor of Psychiatry and associate program director for the geriatric psychiatry fellowship at UConn Health. She is also the director of telehealth services for the department of Psychiatry at UConn Health. She received her undergraduate and medical education at LLRM Medical College in Meerut, India. She received general psychiatry training at the University of Mississippi Medical Center and the West Virginia University/Charleston Area Medical Center. She completed a Geriatric Psychiatry Fellowship at the University of Pittsburgh Medical Center. Prior to her arrival at UConn, Dr. Jain served as a Staff Psychiatrist at Cornell Scott Hill Health Center and was an Assistant Clinical Professor at Yale. As part of UConn faculty, Dr. Jain has assumed key clinical and educational roles, expanding outpatient clinical services for older adults, teaching medical students and residents, and helping develop the geriatric psychiatry fellowship. Dr. Jain has led the efforts to establish and expand telehealth services at UConn Health over the past two years.
