

# Institute of Living Grand Rounds

## Psycho-social Factors that Influence Mental Health Treatment Outcomes for Persons of Color

*presented by*

**C. Jama Adams, PhD**

Associate Professor of Psychology

John Jay College of Criminal Justice-City University of New York

**Thursday, September 24, 2020**

**12:00 p.m. – 1:15 p.m.**

The lecture is streamed live through the VMR app at:  
[meet.iolhartford](https://meet.iolhartford.com)

*This session fulfills the State of Connecticut physician relicensure requirement for Cultural Competency education*

**Learning Objectives:** *As a result of participating in this live activity, participants should be able to:*

1. Identify the macro-social features that contribute to mental illness among persons of color.
2. Describe how institutional practices can exacerbate client dysfunction and inhibit recovery.
3. Identify good-enough interventions to facilitate client recovery.

**Financial Disclosure:** The speakers, planners, and directors of this event have no financial conflicts of interest in regards to the content of this program.

**Commercial Support:** There is no commercial support for this program.

**Accreditation Statement:** In support of improving patient care, Hartford HealthCare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
