

Institute of Living Grand Rounds

The Psychosocial Dimension of Psychopharmacology

presented by

David Mintz, MD

Director of Psychiatric Education
Austen Riggs Center

October 22, 2020
12:00 p.m. – 1:15 p.m.

The lecture is streamed live through the VMR app at: meet.iohartford

Learning Objectives: *As a result of participating in this live activity, participants should be able to:*

1. Describe how psychosocial factors affect pharmacologic treatment outcomes
2. Recognize that evidence-based pharmacologic practice requires attention not only to what one prescribes, but also how one prescribes
3. Construct a treatment frame and alliance that optimizes non-pharmacologic contributions to good outcomes.

Financial Disclosure: The speaker, planners, and directors of this event have no financial conflicts of interest in regards to the content of this program.

Commercial Support: There is no commercial support for this program.
