

The Science of Suicide Prevention

presented by

J. John Mann, MD

J. John Mann is The Paul Janssen Professor of Translational Neuroscience (in Psychiatry and in Radiology) at Columbia University and Director, Molecular Imaging and Neuropathology Division at the New York State Psychiatric Institute. He is a Past President of the Society of Biological Psychiatry, the International Academy of Suicide Research and the American Foundation for Suicide Prevention. He is a Distinguished Life Fellow of the American Psychiatric Association and a Fellow of the American College of Neuropsychopharmacology. Dr. Mann received his medical degree from the University of Melbourne, and then completed his internship and residency at the Royal Melbourne Hospital. He was trained in Psychiatry and Internal Medicine and has a Doctorate in Neurochemistry. His research employs functional brain imaging, neurochemistry and molecular genetics to probe the causes of depression and suicide. Dr. Mann has published over 850 peer-reviewed papers and edited 11 books on the subjects of the biology and treatment of mood disorders, suicidal behavior and other psychiatric disorders. In private practice he specializes in the treatment of mood disorders and has been repeatedly named as America's and New York Best Doctors by Castle Connolly. Dr. Mann has received numerous research and teaching awards, including the Colvin Prize from the Brain Behavior Research Foundation, American Suicide Prevention Foundation Research Award and the American Suicide Prevention Foundation Lifetime Research Award, the American Association of Suicidology Louis I. Dublin Award, the New York State Office of Mental Health Research Award, the Klerman Senior Investigator Award from the National Depressive and Manic Depressive Association, the Columbia University Department of Psychiatry Medical Student Teaching Award, the Stengel Award from the International Association for Suicide Prevention, the Morselli Medal from the International Academy of Suicide Research and the Mood Disorders Research Award from the American College of Psychiatrists. Dr. Mann is an Honorary Professor of the University "Ss. Cyril and Methodius", Skopje, Macedonia and received a Visiting Professor Award from the Royal Australian and New Zealand College of Psychiatrists.

Learning Objectives: *As a result of participating in this Live Activity, participants should be able to:*

1. To learn about the extent of suicidal behavior.
2. To learn about the potential causes of suicidal behavior.
3. To learn about what prevention methods have been shown to work in a majority of studies with a control arm.

Accreditation Statement: In support of improving patient care, Hartford HealthCare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statement: Hartford Healthcare designates this Live Activity for 1.25 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with their participation. This activity is approved for 1.25 ANCC contact hour(s).

Social Work: As a Jointly Accredited Organization, Hartford HealthCare is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Hartford HealthCare maintains responsibility for this course. Social workers competing this course receive 1.25 Other continuing education credits.
