**OBJECTIVES**

BrainDance is an annual event designed to help stop the stigma of mental illness and to encourage the promotion of careers within the field of mental health care.

**ENTRIES**

Must relate to a theme that pertains to mental illness. Participants are encouraged to include a description of their project with their entry.

**Categories:**
- **Academic** (research paper, PowerPoint presentation, poster, etc.)
- **Mixed Media** (audio, video, original music, 3D sculpture, poetry, etc.)
- **Art** (2D drawing/painting/digital, etc.)

**TO APPLY**

Scan the QR code to go to The BrainDance website for additional information and procedures. The application form is on the right side under the forms section.

**AWARDS CELEBRATION**

This event will be a unique educational opportunity for participants and their families. It will include presentations by experts on mental illness, an awards ceremony, and campus tours of the Myths, Minds & Medicine Museum and Olin Neuro-Imaging Research Center. **Awards up to $1000 will be given to the best projects.**

**WIN UP TO $1000!**

Juried by expert clinicians and researchers within the field of mental health.

Judging based on creativity, accuracy, originality, and portrayal of stigma.
