The Children’s Webb

Mission Statement:
The Children’s Webb is a structured education/recreation program designed for children to have fun, build friendships and experience success in small, well-supervised groups.

PROGRAM DESCRIPTION
The goal of the Children’s Webb is to maintain basic academic skills and to promote effective social skills through small group activities. In recognition of special needs of youngsters attending the program, a 4 to 1 child to staff ratio is maintained. In addition, therapeutic and medical services are provided. Daily instruction and programming encourage consistency and maintenance of academic skills.

ACTIVITIES
Activities include, but are not limited to academic enrichment, swimming, arts, and crafts, field trips, sports, and leisure games. Staff is a blend of certified special educators and counselors who have demonstrated success in working with children, as well as, proficiency in one or more of the activities offered. A clinician will provide social skills group experiences for children and serve as a program consultant. The Children’s Webb will provide your child with a productive safe, fun-filled summer experience.
