This note is to let you know that after extensive thought and consultation the Grace S. Webb School in Hartford will be shifting into our Hybrid Learning Model on Monday November 30th. At this time we anticipate shifting back to our In-School Model after two weeks, on Monday December 14th, though any changes to the contrary will be communicated to you.

The Hybrid Learning Model schedule is as follows;

Monday & Tuesday: Children & Middle School programs will be in-person
All High School programs (High School, CREST, TLC) will be remote

Wednesday: All programs (Children, Middle, High School, CREST, TLC) will be remote
The school will be sanitized & disinfected while empty of students

Thursday & Friday: All High School programs (High School, CREST, TLC) will be in-person
Children & Middle School programs will be remote
Programs will dismiss at 1pm as usual on Thursdays

Students are expected to engage remotely when not in-person, and your student's team will be in contact with you in regards to programming while working remotely. Please be in touch with your student's administrator if you have any questions.
