

# The Webb Schools Newsletter

Volume 7 - June 12<sup>th</sup>, 2020

Our extended school year will be offered through distance learning from July 6th- July 31st. Students who are attending summer school will be asked to do so during the hours of 8:30 am - 2:00 pm. Clinical services will be primarily focused on groups. The

morning hours will focus on academic activities with the afternoon providing some activity-based structure such as virtual field trips, PE and games.

## Dinner Time Talk

**Rules: Everyone has a chance to answer. No talking when someone else is answering. There are no wrong answers. Have fun!**

What do you like to dream about?

What is your best memory this school year?

Who is your hero? Why?

How would you describe your family?

If you could change anything about yourself, what would it be?

What are you most proud of yourself for?

Who is the kindest person you know? Why?

What do you like most about your best friend?

What is one thing you would like to learn to do well?

If you were an animal what one would you be and why?

When is the last time someone hurt your feelings? How did you react?

Do you know someone who is going through a hard time? How can you help them?

What is the scariest thing that happened this year?

If you could keep only one thing, out of everything you have, what would it be?

Who do you think is really successful? Why?

What's the best thing about your teacher this year?

When do you feel misunderstood by grown-ups?

What three words best describe you?

What's something that makes you angry?

What's the best compliment you ever received?

### KEEPING THINGS FUN:

Thank you to all the students, parents/ guardians and Webb staff for persevering through these challenging times. This was not how we all would have envisioned the end of our school year, but we got through it together! We look forward to the fall with hopes of reopening our doors again and will adhere to the state guidelines as to the safest way to do so.
