## Summer Safety resources

\*Whether you're headed to the pool or the beach, teaching your kids about swimming safety is vital. *Stewie the Duck Learns to Swim*, an audio book and app, makes a great first guide. It teaches children how to be safe near water with interactive animations, sound effects, a memory game and sing-along. *Stewie the Duck Learns to Swim*, free; [StewietheDuck.com](http://StewietheDuck.com).

## Reminders from the Nurse's Office

Reminder to All Parents with students **entering 7<sup>th</sup> grade** in the fall 2020.... Immunizations are required for this grade level! Please reach out if you need assistance with this process.

\*\*Please contact your school nurse if your child requires medication at school!\*\*  
If your child requires medication during school hours we will be working over the summer to obtain new orders from your doctor's office for our return to school. This form must also be signed by a parent/guardian which we will arrange individually.
