PEERS IN ADVOCACY AND COMMUNITY ENGAGEMENT

## What is PACE?

PACE is an initiative that empowers students to lead mental health advocacy and resource-sharing within their schools and community.

### 1 Why Become a Member?

**Make an Impact:** Enhance mental health awareness and support at your school.

**Develop Skills:** Gain leadership experience and connect with professionals.

**Exclusive Opportunities:** Access to mental health trainings and career mentorships.

**Peer Support:** Create a space where members can discuss their mental health concerns/struggles and identify gaps in current care.

### 2 Who Can Apply?

Individuals ages 18-25 with and without lived behavioral health experience, who are passionate about mental health advocacy and improving access to resources.

\*\*High school students please reach out for more information about joining\*\*
